Follow the above link and look for the below button.

Zoom Extension for Browsers

The Zoom Extension for Browsers allows you to start or schedule your Zoom meeting with a single click from your browser or within Google calendar.

Add to chrome via this button.

 chrome web store

Home > Extensions > Zoom Scheduler

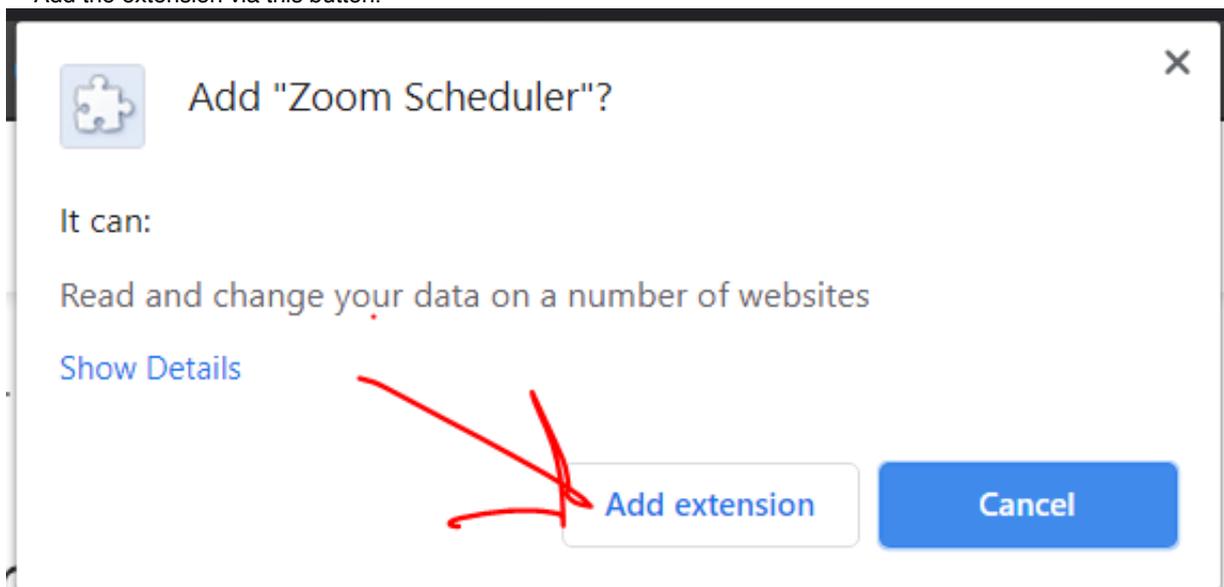

Zoom Scheduler

Offered by: zoom.us

★★★★☆ 638 | Productivity | 5,000,000+ users

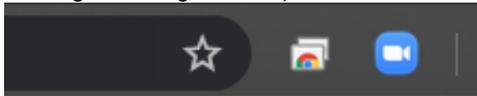

Add to Chrome

Add the extension via this button.

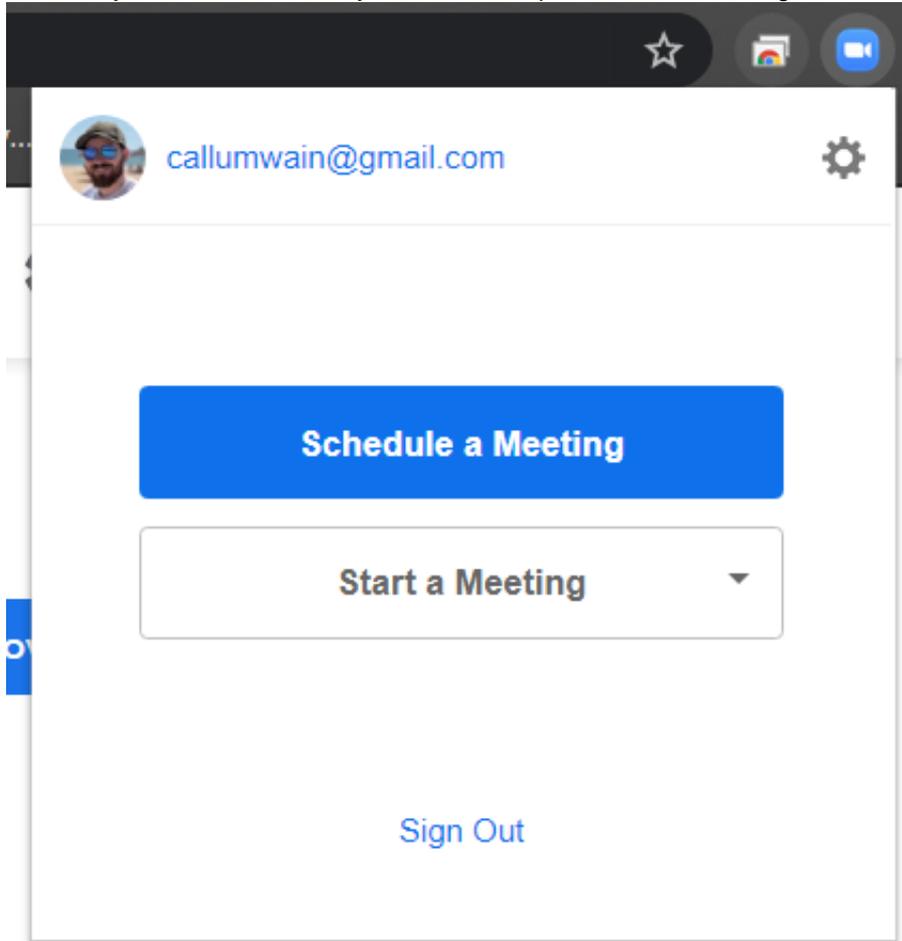

Once added, this blue icon will appear next to your Chrome address bar. Simply click this, log in (via google or existing Zoom login details)

existing Zoom login details).

Next time you click the blue icon, you'll see these options to start a meeting.

You may get this popup when starting a meeting, just select Open Zoom and it'll jump straight into hosting a meeting.
